PMI Nashville March 2022 Luncheon Webinar Project Management Optimization with the Power of Smartsheet

March 29, Tuesday 12:00 PM - 1:00 PM

As a project manager do you find that you spend 40-50% of your week doing more administrative work and less project management work? Things like manually getting updates from your project team and you are solely responsible for updating project plans, RAID Logs, and status reports? How many times have you exchanged stagnant files and wondered which version is the truth and then had to comb through all the versions of a file to try to pull out the current update for your master plan and hope that what you pulled was really the most current?

Imagine if your project management processes could truly be Scalable, Repeatable, Transparent, Real Time, Collaborative, Integrated, and Automated. What's your biggest pain point as a project manager when it comes to collaboration?

Join Michelle Watkins as she takes you on her 12-year journey with transforming her own day in the life of a project manager powered by Smartsheet in which she rolled out this same solution throughout her own organizations and has since spent the last 5 years providing Project Management Optimization solutions that has help transform both the project management and PMO Leadership experience with the power of Smartsheet."

PMI Nashville Chapter Volunteer Request Meeting

April 22, Friday 5:00 PM - 6:00 PM

Have you ever considered volunteering for PMI? What, are the benefits of volunteering with the Nashville PMI Chapter? If this applies to you, we are looking for passionate and committed members who want to find a way to give back to the profession and its members. Volunteers may also earn PDUs for their participation! This will be a recurring event where we talk about the benefits for volunteering, your top three areas of interest for volunteering, current positions that are open, event opportunities, etc.

Another benefit to consider – volunteering for the Nashville PMI Chapter always provides the opportunity for networking with other PM Professionals in the local area..
